ASSEMBLY INSTRUCTIONS

STEP 1:

Confirm product contents by emptying contents of bag(s) and confirming all parts are included and undamaged.

STEP 2:

Select a smooth level site and spread out your tent.

STEP 3:

Extend poles and place in position ready for installation.

(figure 3A) Take a pole and insert pole into the pocket.

(figure 3B) Attach clips to pole.

Repeat process with the remaining pole. Poles will cross each other at the center.

STEP 4:

After attaching poles to clips, gently flex poles into an arch.

STEP 5:

(figure 3C) Tie the top of the tent with the ties

STEP 6:

(figure 3D) Stake the tent down.

Manufacturer's Warranty

Warranty covers product to be free from defects in material and workmanship for 14 days after date of purchase.

Warranty does not cover natural breakdown of materials that occur inevitably with extended use (e.g., UV damage, exhausted zippers, defects caused by accident, abuse, alteration, animal attack, storm damage, misuse or improper care).

This product is covered for 14 days from date of purchase. Please check all contents to verify product has no missing or broken parts. Gigatent will mail replacement parts free of charge within the 14 Day Manufacturer's Warranty by calling 1-877-836-8701 or emailing customerservice@gigatent.com. We highly recommend logging on to our website at www.gigatent.com should you need customer service. Any parts in need of replacement after the 14 Day Manufacturer's Warranty can be purchased for a reasonable charge, plus shipping and handling. We require that products accepted for any repair must be properly cleaned according to our care instructions.

WARNING:

This product was not designed to be left out in the sunlight for extended periods of time. Prolonged UV exposure will rapidly break down the fabric of this product. UV damage is not covered under our warranty.

WARNING : NEVER LEAVE CHILDREN UNATTENDED.

AGES 3 AND UP RECOMMENDED.

Play tent for indoor and outdoor use.

Keep all Flame and Heat away from tent and tent fabric.

This tent meets flammability requirements of CPAI-84.

THIS TENT IS NOT FIRE PROOF.

IF LEFT IN OPEN FLAME THE TENT WILL BURN.
